Dear Mr. Chairman:

I am in receipt of Chairman Boland's 13 October 1978 letter which informed me of your planned trip to Central and South America. I am delighted that you are able to make this trip. The staffs of the agencies whose installations will be studied are already working on briefing materials to be provided to you. I am hopeful that you will also be able to come to Langley for a pre-trip briefing and that you will be able to spare time to have breakfast or luncheon with me at that time.

With warmest regards.

Yours sincerely,

STANSFIELD TURNER

*P.S. Best wishes for a speedy  
recovery from your heart stroke*

Honorable Stansfield Turner

Dear Admiral Turner:

This is to advise you that the Honorable Bill Burlison plans to participate in a study mission to various embassies and intelligence installations in the Central and South American areas during the period December 11 through December 21, 1978.

The purpose of this trip is to conduct a review of the functions of these facilities in line with his position as Chairman of the Subcommittee on Program and Budget Authorization.

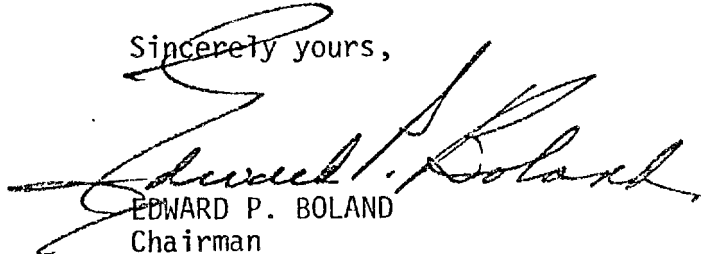

The overall planning and coordination should be performed by the Director, Central Intelligence with the Department of Defense furnishing such assistance as necessary to facilitate the accomplishment of the mission.

Expenditure of funds for the payment of actual and necessary expenses and such transportation as may be required is authorized by Section 1314 of the Supplemental Appropriation Act of 1954 (31 USC 22A).

Enclosed is a copy of the tentative itinerary and transportation schedule of Mr. Burlison's travel. It is requested that both classified and unclassified backup documentation be prepared for trip preparation and trip utilization. If additional trip details are required, my action officer for this trip is Mr. James O. Bush, telephone number 225-7690.

With every good wish, I am

Sincerely yours,

  
EDWARD P. BOLAND
